

Graduate Student and Postdoctoral Fellow Travel Grants for Society for Neuroscience Meeting

BOCA RATON, Fla. (Oct. 12, 2016) – Travel grants are available through the FAU Brain Institute to assist graduate students and postdoctoral fellows in attending the 2016 Society for Neuroscience Meeting in San Diego, California from November 12-16.

Applicants should complete the web-based Travel Application by 5 p.m. on Monday, October 17. Awards will be announced on or before Friday, October 19.

Grants of up to \$1,000 will be available to reimburse the awardee for meeting registration, economy airfare, airport parking, taxi fare and lodging.

Itemized receipts will be needed for all reimbursed expenses. Meal costs can not be reimbursed. Preference will be given to applicants that are a presenting contributor of a submitted abstract, though support for a graduate student or postdoctoral fellow listed on an abstract, or attending from a lab that is presenting other abstracts, will be considered.

A mentor can recommend only one graduate student and one postdoctoral fellow for consideration.
