

National Science Foundation Summer Limited Submissions

Internal Review & Selection Procedures:

Florida Atlantic University's procedure to identify limited submission opportunities and internally select proposals is posted [here](#). Please email limited@fau.edu if you have any questions about the limited submission process.

Sponsor	Title:	Highlights	Limit	Key Dates
National Science Foundation	<u>National Science Foundation Research Traineeship (NRT) Program</u>	Designed to encourage the development and implementation of bold, new, and potentially transformative models for STEM graduate education training. Examples here .	2	FAU deadline: 8/26/18 Agency deadline: 11/26/2018
National Science Foundation	<u>Innovations in Graduate Education (IGE) Program</u>	IGE focuses on projects aimed at piloting, testing, and validating innovative and potentially transformative approaches to graduate education. IGE projects are intended to generate the knowledge required for their customization, implementation, and broader adoption. The program supports testing of novel models or activities with high potential to enrich and extend the knowledge base on effective graduate education approaches.	2	FAU deadline: 6/27/18 Agency deadline: 09/27/2018
National Science Foundation	<u>CISE Research Infrastructure</u>	Supports the creation and enhancement of world-class research infrastructure that will support focused research agendas in computer and information science and engineering. Two classes of awards: •Institutional Infrastructure (II) awards & Community Infrastructure (CI) awards.	3	FAU deadline: 8/7/18 Agency deadline: 11/07/2018
National Science Foundation	<u>Louis Stokes Alliances for Minority Participation (LSAMP) Bridge to the Doctorate, Pre-Alliance Planning, STEM Pathways Imp.</u>	LSAMP program is an alliance-based program. The overall goal is to assist universities and colleges in diversifying the nation's science, technology, engineering and mathematics (STEM) workforce by increasing the number of STEM baccalaureate and graduate degrees awarded to populations historically underrepresented in these disciplines.	1	FAU deadline: 8/26/18 Agency deadline: (varied; November 2018)

FLORIDA ATLANTIC UNIVERSITY™

DIVISION OF RESEARCH

National Science Foundation	<u>Research Experiences for Teachers (RET) in Engineering and Computer Science</u>	Supports active long-term collaborative partnerships between K-12 Science, Technology, Engineering, Computer and Information Science, and Mathematics (STEM) in-service and pre-service teachers, full-time community college faculty, and university faculty and students through participation in authentic summer research experiences with engineering and computer science faculty researchers.	3	FAU deadline: 6/19/18 Agency deadline: 9/19/2018
National Science Foundation	<u>Advancing Digitization of Biodiversity Collections</u>	This program seeks to enhance and expand the national resource of digital data documenting existing vouchered biological and paleontological collections and to advance scientific knowledge by improving access to digitized information (including images) residing in vouchered scientific collections across the United States	1	FAU deadline: 7/12/18 Agency deadline: 10/12/2018
