**MARCH 17**

7th Annual Broward Student Research Symposium  
8 a.m. - 1 p.m.  
Davie West Building, Davie Campus  
Abstract submission: Feb. 1 - Feb. 28  
This event features research activities of Broward graduate and undergraduate students and gives student researchers the opportunity to experience presenting research (planned or ongoing) or course projects. In addition to the awarding of prizes, the event provides a forum for student interaction with faculty and peers while showcasing their work. Options for the day include poster, multimedia and 10-minute oral presentations.

**MARCH 24**

8th Annual Graduate & Professional Research Day  
9 a.m.  
Live Oak Pavilion, Boca Raton Campus  
Abstracts due: March 1  
The annual Graduate and Professional Research Day is a University-wide event showcasing research of FAU graduate students. Graduate and medical students engaged in various scholarly and research projects across the university are invited to participate in and take advantage of the opportunity to showcase their work to colleagues, peers and others. Research Day activities will include poster presentations, awards, prizes, lunch and a judged research competition.

**APRIL 24**

FAU Wave Award Ceremony  
5 - 7 p.m.  
Acura Room, FAU Stadium, Boca Raton Campus  
The FAU Wave undergraduate research and entrepreneurship competition will honor its innovative students at this end of year award ceremony. Students’ projects include start-ups, arts/literary research, social justice projects, STEM research, technology/design, policy research and community engagement programs. Students were challenged to “bring your ideas; change the world” – and they delivered.
