

## LIMITED SUBMISSION

### Improving Undergraduate STEM Education: Hispanic-Serving Institutions

#### Deadlines

**Internal deadline: January 16, 2018**

**Agency deadline: March 6, 2018**

**Limit: One**

The Hispanic Serving Institution program seeks to increase the retention and graduation rates of students pursuing associate or baccalaureate degrees in science, technology, engineering, and mathematics (STEM).

Please note FAU only qualifies for Track 1 and will not be submitting as a Resource Hub.

If interested, submit an internal application (or “pre-proposal”) to the Office of Research Development [here](#) no later than January 12. The required documents for the internal application can be found [here](#). If the Division receives more internal applications than the allowed limits, an ad hoc review and selection process will be held. If an ad hoc review process is not warranted, those researchers that demonstrated interest will be allowed to move forward with submitting a full proposal to the funding agency.

For more information on this opportunity, click [here](#).
