

## LIMITED SUBMISSION

### National Endowment for the Arts ART WORKS

#### Deadlines

**Internal deadline: May 12**

**Agency deadline: July 12**

**Limit: One per supported category, except Media Arts**

Art Works is the National Endowment for the Arts' principal grants program. Through project-based funding, they support public engagement with, and access to, various forms of excellent art across the nation, the creation of art that meets the highest standards of excellence, learning in the arts at all stages of life, and the integration of the arts into the fabric of community life.

If interested in any category other than Media Arts, submit an internal application (or "pre-proposal") to the Office of Research Development [here](#) no later than **May 12**. The required documents for the internal application can be found [here](#). If the Division receives more internal applications than the allowed limits, an ad hoc review and selection process will be held. If an ad hoc review process is not warranted, those researchers that demonstrated interest will be allowed to move forward with submitting a full proposal to the funding agency.
