

Neuroscience Seminar Series

Regulation of Intracellular pH in Neurons & Astrocytes: Role of Na-coupled HCO₃ Transporters

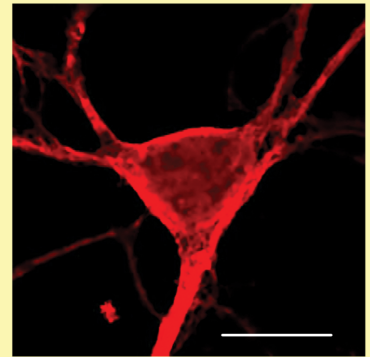

NBCn1

NBCn2

NDCBE

Walter Boron, M.D., Ph.D.

Chairman, Department of Physiology & Biophysics

Interim Chair, Department of Biochemistry

Executive Director of Ph.D. Programs

School of Medicine

Case Western Reserve University

Host: Greg Macleod, Ph.D.

4:00 p.m., Tuesday Feb. 28, 2017

Rm 119, Research Facility MC-17

Jupiter Campus

Video Conference Locations

Boca EE-106; Davie LA-148; HBOI LE108D
