**EVERYTHING PULLING AT US OR
ERUPTING WITHIN (especially for
anyone approaching or in later phases of
mid-life) is connected to experiences and
consequent beliefs in the first six years of
life. That time is usually calling the shots
in everything we're struggling with,
hurting from, or disturbed by in the
present.**

**The good news is that all time is present
before God who wants to move in those
early areas to heal and restore them.
Those memories can be healed and
beliefs changed.**

Cut here and send registration form with check to: **Tree House Healing Ministry, P. O. Box 140103, St. Louis, MO 63114.**
