

## 8<sup>th</sup> Annual Shelter Shiver 2017 Company Team Challenge

ALIVE Rescue is looking for brave souls to join us at our 8th Annual Shelter Shiver, but we don't want you to take a dip in the lake alone! This year we are challenging Chicago companies to create teams and help us raise \$75,000 for the homeless animals of Chicago! So gather your co-workers, make a team, and get ready to freeze for the fur babies! Not feeling the freeze? Your company can also become a Virtual Team (please see Firstgiving for all options)! Read about our incentives for your company below!

We hope to see you there!
