

**Joseph F. Molloy**

***VP, Workforce Safety***

**Years in Position: 3**

**Years of Service: 13**

### Responsibilities

Joe leverages the knowledge gained as VP, Benefits and VP, Managed Care in quality, evidence-based care and in high-value directed networks to build a robust Workforce Safety program, including Employee Safety, Return to Work and Fitness for Duty strategies coupled with a continued drive for a culture of wellness. Joe coordinates his efforts with Risk, Employee Health Services, and Human Resources to provide a team of advocates for our employees injured on the job.

### Summary of Experience

The 2010 Business Insurance Benefits Manager of the Year Honor Role recipient, Joe has had progressively more responsible roles in Benefits, including experience in healthcare, consulting, facility and aviation services, retail and insurance fields. With 35 years of experience within the human resources sector, Mr. Molloy has served as a guest speaker at many industry conferences and workshops and holds a bachelor's degree in management and economics from Cornell University. He is also co-Inventor of the Shared Savings Model, Patent U.S. Serial NO. 14/310,919.
