

## **David Lewis**

David Lewis is the founder, president, and CEO of OperationsInc, one of the Northeast's largest human resources outsourcing and consulting firms. OperationsInc has grown steadily since its inception in 2001, and now engages a team of over 60 professionals providing HR, Payroll, Training, and Talent Acquisition support to a base of over 1,400 clients. David is leveraging a 30-plus year career in human resources and operational management for leading firms including Merck/Medco and Computer Associates. He serves as an on-air subject matter expert in the areas of human resources, workplace management, and small business issues for MSNBC, FOX, CBS Radio and NPR, and regularly appears in national publications like The New York Times, Inc., and Wall Street Journal.
