The 2017 SHRM Learning System delivers the most comprehensive, flexible and effective SHRM-CP and SHRM-SCP exam preparation.

Designed using a proven approach for teaching adult learners, this system helps you understand, apply and engage with behavioral competencies and HR Knowledge. Online learning modules, based on the SHRM BoCK, and interactive study tools, testing knowledge and decision making skills, are incorporated into the study process. There's no better way to successfully prepare for the SHRM certification exams.

The Complete Solution for SHRM Certification Exam Success

The program delivers an effective experience to help streamline studies while accelerating learning. Real-life situations are infused into the study process for better understanding, application and engagement with HR competencies.

- ▶ Study with learning modules that provide an in-depth exploration of the knowledge domains and behavioral competencies tested on the SHRM exams. The module content is embedded online, available in downloadable e-reader format and in print.
- ▶ These steps allow you to engage with interactive online study tools to create a personalized path to success:

» Assess Your Current Knowledge

Complete the online assessment to determine current knowledge and identify areas for improvement. Map your road to success with a personal SmartStudy plan.

» Study Your Way to Success

Read the four learning modules, which align with the 2017 SHRM BoCK, review quickstart videos to get an overview of the foundational elements for each behavioral competency, and study the flashcards.

» Apply What You Have Learned

Utilize over 1,500 practice questions to assess your competencies and understanding, and engage in Competencies in Action activities that you put you in the role of a HR professional who is faced with unique challenges.

» Pass Your Exam with Confidence

Complete the post-test, which mimics the SHRM-CP/SHRM-SCP exam format and weighting, and review test-taking tips before you sit for your exam.
