

With the LORD
By Barbara Hoffmann

Stephanie Brown was a new believer in Jesus who loved to help others! She found a place to serve at the Seafarers Ministry about a year ago, joining a team that prepared and served lunch to the cruise and cargo ship workers every fourth Sunday. After a stroke and prolonged illness, she went to be the Lord in early August.

A note from the Director

Stephanie was a really hard worker who was looking for a place to serve. She worked doing anything asked of her from the moment that she arrived until everything was done. She always had a great attitude and seemed to enjoy working with our ministry family and the seafarers. We miss her and I look forward to worshiping with her in heaven.
