

Generous Living Opportunities

There are several ways to help Covenant just by doing what you normally do!

Anyone who has Thrivent Financial products has the ability to use their Thrivent Choice dollars to benefit Covenant. Thrivent gives money to churches as directed by its clients. Talk to your Thrivent representative to find out how!

<https://www.thrivent.com/>

There are programs at both Randalls and Kroger that earn money for Covenant just by shopping at those stores. Stop in at your local Randalls Customer Service and they will help you link your Randalls card to Covenant (our Charity Number is 11849).

By using your Kroger Plus card when you shop, a portion of your purchase is refunded to Covenant.

The Kroger Community Rewards program requires individuals to re-enroll each year, so **please check to make sure you have enrolled your Kroger Plus card for the current year.** To check your rewards program status or to re-enroll, visit <https://www.kroger.com/account/enrollCommunityRewardsNow>

If you have any questions on the process for either Randalls or Kroger, please call the church office (281-578-8799) or stop by the office and Sue Tabbert will help you.

When doing your online shopping, remember to use AmazonSmile! If you order from Amazon, you can direct a donation to Covenant Lutheran by ordering through AmazonSmile! Same Amazon and products - it just gives you the opportunity to select Covenant to automatically receive a donation. Register at Amazon and search for Covenant Lutheran Church of Houston, TX.

Also if you eat at Clay's Restaurant on Clay Rd, save your receipts and drop them in the lock box at the Information Desk. Covenant's earns 10% of all the receipts we turn in! Thanks for your support of Covenant's ministries!
