Please purchase all liquids in plastic bottles. Send only new, unopened materials. Put all items in the plastic bucket, packed securely to avoid damage during shipment, and seal lid with packing tape.

\*Some local fast-food restaurants are willing to give pickle buckets (or other 5-gallon buckets with re-sealable lids) or offer them for a small fee. These can be washed out and used for the cleanup buckets.

\*\*If you have 36 or more buckets and are looking for transportation options, Ferncliff has a discount with Fed Ex Freight. You can email David Gill ([dgill@ferncliff.org](mailto:dgill@ferncliff.org)) to see how your church might get their discount on to your shipment.
