MetLife Mobile App Now Available

MetLife®

Checking up on your dental plan is easy with the MetLife Mobile App.[1] You can:

- ✓ **Find a dentist.**

- ✓ **View your plan summary and claims.**

- ✓ **View your ID card.**

It's easy. Search "MetLife" at iTunes App Store or Google Play to download the app. Then use your MyBenefits log in information to access these features.[2]

It's available 24 hours a day, seven days a week.

You can also access these great features on our mobile site. Just visit metlife.com on your mobile device. And keep an eye out for future updates. We are constantly working on improvements to help ensure you have the best overall service experience,

MetLife

DENTAL INSURANCE

Your dental plan offers easy-to-use benefits and tools to make going to the dentist simple.
