Kansas City Chapter  
February 2017 Chapter Joint Meeting with the  
Concrete Promotional Group

**Build with Strength, Concrete Design**

**Michael Wymant**

**Thursday, February 16, 2017**

Networking/Happy Hour with Refreshments & Appetizers

Sign-in 4:00 p.m.

Presentation 4:30 to 5:30 p.m.

RSVP to [seakmkc@gmail.com](mailto:seakmkc@gmail.com) no later than February 13, 2017

**Presentation Summary:**

Concrete is being used in some of the most innovative designs around the world, and it's a big part of the revitalization efforts in downtown Kansas City. So, if you're an engineer or a building owner, stop by on Feb. 16, 2017 and let's talk concrete!

Some of the topics to be discussed will include:

- We'll explore emerging trends; the housing and development market is an ever-changing landscape – see what's coming next.
- We'll talk about concrete innovations; concrete is smart and bold. The only thing it requires is a limitless imagination.
- We'll look at real-world examples; take a closer look at the value of concrete through a variety of case studies across the U.S.
- We'll discuss ways to maximize value; find out how concrete can lower overall costs while increasing speed of construction.
- We'll provide free design resources; Get tools to help your next concrete project get off the ground.

The presentation qualifies for 1 Professional Development Hour (PDH).

**Speaker:**

Michael Wymant, MEB, LEED AP+ OM, BD+C, National Ready Mixed Concrete Associations' Senior Director, Building Innovations.

Cost of Attendance: \$5 for members (CPG, SEAKM, or SEAKM students) and \$10 for non-members.

Meeting Location: Hollis + Miller Architects  
1828 Walnut Street  
Suite 922  
Kansas City, MO 64198

Meeting Parking: The parking lot is accessible from Main Street, directly west of the Corrigan Building. The entry doors to the Corrigan Building are on the west side of the building, adjacent to the parking lot and on the east side along Walnut Street. Additional parking is along Main Street, Walnut Street and 19<sup>th</sup> Street.
