LEADERSHIP by BIKE camp

Leadership by Bike Camp is a rewarding week with lasting impact - where working together for common good, campers develop confidence, independence and leadership skills. We'll ride the Greenway Trails, cycle residential streets, explore forgotten neighborhoods and visit local landmarks. Venturing outside their everyday lives and expanding their comfort zone, campers test themselves and make their best even better.

Leadership by Bike Camp is a cooperative effort organized by Paducah Parks Services and BikeWorld. This week of bike camp is a never-to-be forgotten week of adventure, discovery, and fun for ages 12 - 15 years. Discover Paducah while learning to use bicycling as a means of transportation. Bike camp staff are experienced riders from BikeWorld.

Bike Camp leaders are friendly, enthusiastic riders who combine great responsibility with joyful leadership and help campers transform a week of summer into a delightful, inspiring, maybe even life changing experience.

A typical week of Leadership by Bike Camp includes:

- Education in bicycling including basic riding laws and information
- Excursions to local eateries, businesses, industries, shops, farmer's market, parks, and green spaces
- Looking for hidden details in a competitive floodwall scavenger hunt
- Familiarity with local and unique architecture in Paducah
- Meals and Snacks are also included

All equipment must be approved by BikeWorld staff for safety at least 2 days prior to attending the first day of camp. Campers may rent, purchase or provide their own equipment. Equipment rental is \$75 for total package, and rental fee may be applied toward purchase at the end of the week, if desired.

- Leadership by Bike camp meets Monday - Friday from 9:00 am - 4:30 pm during camp weeks.
- Each day will begin and end at BikeWorld, located at 809 Joe Clifton Drive, Paducah, KY.
- Camp will meet rain or shine. There are plenty of off-bike activities for times of heavy rain or lightning.

What you need to bring with you each day:

- Bicycle
