

!! ATTENTION !! In the event that February 3rd needs to be postponed due to weather, the event will be rescheduled for February 17th, 2018

Unfortunately, at this time of year we have to talk about possible snow cancellations.

We support Montgomery Community Church's Care Ministry snow policy. Check website for information: <http://www.mcc.church/new-here/contact-mcc> or call the church to hear any messages concerning weather closures at **513-489-0892**

Also, MCC goes by Sycamore schools, weekend events cancellations as well and the surrounding areas "snow emergency/highway" alerts. So, If Sycamore Community Schools **CLOSE** or cancel their weekend events, due to inclement weather, then MCC /Motherless Daughters events will be cancelled.

The church building will be closed with a weather emergency "Level 3" or higher.

You should not travel anytime you feel concerned for your safety (i.e. icy or dangerous roads). Please use your best judgment.

Please email: Cara@MotherlessDaughtersMinistry.com for details/questions
