#### A message from the Worcester Department of Public Health Medical Director, Dr. Michael Hirsh:

An unsecured weapon in the home is a public health danger that leads to more frequent homicides, burglaries, lethal domestic violence, accidental shootings and suicide in the home.

Please honor the memories of all our citizens, young and old, harmed by gun violence by bringing in your unwanted/unsecured weapon(s) (unloaded please) in a plain plastic or paper bag.

- Anonymity ensured – *no names asked!*
- No gun registration required
- Non-operable guns, ammunition, and firearm accessories will also be accepted (no gift cards are issued for these items).
- Turn in guns at the drop-off locations or by appointment at your residence.
- All guns brought must be unloaded and wrapped or contained in a bag.
- **Worcester drop-off location is at City Welding and Sheet Fabrication where they will be destroyed in front of you.**
