About TORCH

Texas Organization of Rural & Community Hospitals (TORCH) is the voice and principal advocate for rural and community hospitals in Texas. We provide leadership in addressing the special needs and issues of these hospitals. For more information, call (512) 873-0045 or visit the website at torchnet.org.

At TORCH we strive to demonstrate our value and commitment to our members through valuable programs, services, education, advocacy, publications, professional development and representation.

Be and Get Involved

As a TORCH Corporate Member,

An important component of the organization is the corporate category of membership for the many companies/organizations providing products and services for rural hospitals. We understand that rural healthcare is a unique business. It takes special companies to work with small hospitals to provide the goods and services necessary to operate in this challenging environment.

TORCH endeavors to provide its hospital members with a group of corporate members who are experienced in working with small hospitals, who know the special needs of rural providers and offer valuable, high-quality services.

We rely on the business leaders in our corporate membership to provide the education and information needed on the technology, equipment and new products that hospitals can use to operate more efficiently and make sound buying decisions.

Membership benefits:

- Contact information in the online membership directory and database on all hospital member CEOs for marketing purposes.
- The Marketplace e-newsletter focuses exclusively on corporate members and highlights endorsed vendors with articles submitted in your own words.
- Advanced notification of the annual and fall conferences with invitation to purchase exhibit space early to help ensure space availability.
- The opportunity to use the TORCH logo in marketing materials.
- Potential for marketing opportunities at other conferences or meetings.
- An Advisory Council advises staff about the organization's vendor-related activities.
- Ability to demonstrate support for rural hospitals and rural healthcare in Texas through support of TORCH with your annual membership.
