

SAVE RURAL HOSPITALS

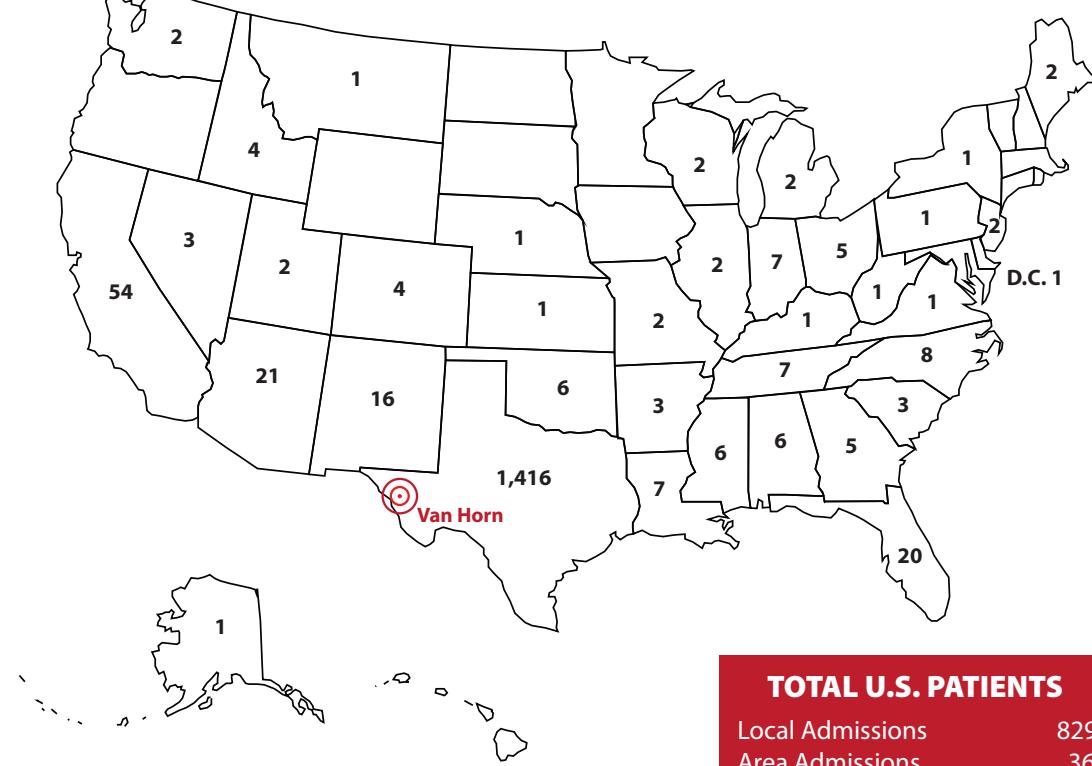

Tell the Texas Legislature, and Congress, to Save Our Rural Hospitals – You May Need One Someday!

Sixteen (16) Texas rural hospitals closed permanently or temporarily in the last four years mostly because of underpayments and cutbacks from Medicaid and Medicare. Tell the Texas Legislature and Congress to pay rural hospitals fairly and keep them open – you may need one!

ANYONE IN AMERICA CAN END UP BEING A PATIENT IN A TEXAS RURAL HOSPITAL

Hometown of State of Emergency Room Patients at Culberson Hospital in Van Horn, Texas
(April 1, 2014 – March 31, 2015)

(April 1, 2014 – March 31, 2015)

Created by Texas Organization of Rural & Community Hospitals (TORCH)
with the assistance of Preferred Management Corporation, operator
of Culberson Hospital – October 2016
