

2017 TORCH FOUNDATION

Rural Health IT Leadership Award

Nomination Form

Description of Award:

The TORCH FOUNDATION invites you to nominate an individual for the **Rural Health IT Leadership Award** who has demonstrated outstanding leadership and dedication to the advancement and adoption of health information technology. This award will be presented during the Awards Luncheon at the 2017 Rural Hospital Information Technology Conference & Exhibition (HITCON17) at the Omni Colonnade in San Antonio on Thursday, October 26, 2017.

Eligible candidates are those who:

- Play an instrumental role in the organization's successful adoption and use of health IT, including the implementation of certified EHR technology and attestation for meaningful use;
- Exhibit a high level of initiative, technical competency, and effective teamwork and collaboration;
- Embody the spirit of service and innovation through the advancement of health IT;
- Demonstrate a commitment to continual learning and growth, with an unmistakable willingness to go beyond the call of duty; and
- Have made a significant contribution to the organization's health IT goals.

To nominate, complete this form and submit it along with your narrative or letter(s) of recommendation that fully describes how the nominee meets the award criteria or attributes outlined above and deserves this award and recognition. Send nominations to carrie@torchnet.org or fax to (512) 873-0046, Attn: Carrie Ruiz. For questions, contact Carrie at (512) 873-0045. **Nominations must be received by Friday, October 6, 2017.**
