

Safe Church at WCC

- At Wilton Congregational Church we take the care and safety of our children and youth seriously. Starting in February, all Youth Ministry events will have two adults present at all times as a way to protect both children and adults. This means that we need adults to volunteer to be a part of our Sunday programs, including Middle School Sunday School, Confirmation, and Youth Groups.
- Interested in volunteering? [Sign up here](#), complete the attached Safe Church document, and return the document to Lydia [via email](#) or in person.
- Starting this month, any activity that does not have two adults signed up to supervise one hour before the program will be cancelled.
- Questions about our Safe Church policy? [Email Lydia](#) or call her at 203-762-5591.
