

**The mission of WCC is to connect to God and one another through Christ, giving hope, healing, and help so that lives and communities may be transformed.**

Our new church management software, Realm Connect, will be a big help as we seek to live out our mission. With Realm, we can keep up with church events, manage our church information, communicate with other church members, and track our giving. And, soon we will be able to pay for events and our pledges – all on our smart phones!

**How does it work?** Just click on the link in the Realm invitation that is in your email.

1. Make a password and follow their email instructions to get verified. Make sure you access your profile in Realm: [www.onrealm.org/wcc](http://www.onrealm.org/wcc).
2. Then go the App Store and download Realm Connect to your phone.
3. Log in with your new password. If Realm asks for a code, type in “wcc.”
4. Check out the messages and look up your profile. Update it and upload a selfie!
5. Change your privacy setting so your church friends can find you.
6. Explore Realm – find out what groups you are in, join other groups, take the spiritual gift assessment, text a friend!
