FREE! Mental Health

First Aid Training

Presented by Cindy Wides
Palm Beach County
Mental Health First Aid Coalition Director

Sometimes, first aid isn't

A **bandage**, or **CPR**,

Or the **Heimlich**,

Or calling **911**!

Sometimes, first aid is YOU!

- You are more likely to encounter someone—friend, family member, coworker, neighbor, or member of the community—in an emotional or mental crisis than someone having a heart attack.
- Mental Health First Aid teaches a 5-step action plan to offer initial help and connect persons with the appropriate help.
