

It's official! **Chuck Maulden** has accepted our offer and is on his way to News On 6.

Chuck is currently the News Director for KOLR10 in Springfield. Chuck started his career as a photojournalist in Arkansas (his home state); additionally he has been a chief photog in Kalamazoo, Birmingham and St. Louis (where he also added the title of Director of Operations). Chuck has a wide range of experience inside the newsroom—as well as events covered in the field. He brings with him invaluable experience from the past and a great energy for the future.

I'd like to thank the management team for their great leadership during the past several months. They seized the opportunity for growth and success and delivered awesome results. We have a great group of people that make up the newsroom, and I can't wait to see where we go from here!

Chuck will tentatively start on December 10<sup>th</sup>... but he may be in and out some before then.

Cheers,  
Todd
