

FBI/Highway Patrol Background Check Procedures

Registration Process - Missouri Residents

All applicants must pre-register for a fingerprint-based background check at the Missouri Automated Criminal History Site (MACHS) www.machs.mo.gov. The background check is performed by both the Missouri State Highway Patrol (MSHP) and the Federal Bureau of Investigation (FBI). After pre-registration, all applicants must visit one of the 3M/Cogent office locations for fingerprinting (see the fingerprint location map at www.machs.mo.gov).

A four-digit registration code is required to ensure that the results of the background check are returned to the correct organizations for processing. Please see the following charts for the appropriate registration codes.
