

Topic Description

- **An Invitation to Play in the Dimension of Possible**
 - Our world is evolving faster than ever before! We are awakening to our potential. We are exploring new possibilities on a larger scale.
 - The world of business is also evolving faster than ever. Business models are changing, new services and products are being created, and new markets are emerging every single day.
 - How can you find your place in this new paradigm? As CPAs, we are often tasked with analyzing past data. We conform to rules and standards we color inside the lines. How can we create new possibilities for ourselves and our profession?
- **Exploring Your Dimension of Possible**
 - Learn how to unlock your leadership potential by tapping into your Why, your Vision and what makes you uniquely you. You will share what you've uncovered through the pre-work – your Why and your Vision.
- **The CPAthlete**
 - To act more boldly as a leader, you must increase your capacity to bring energy and full engagement to the things you value most. Learn how well-being and mindfulness contributes to your performance and leadership of others.
- **Habits Make the Leader**
 - Are there things you want to change in your life or at your organization? What's stopping you? Most of us don't realize how much our ingrained habits rule our lives, actions and results. Once you understand the science of habits, you can be intentional about choosing habits that will make you unstoppable.
- **Empowering Your Future**
 - This is a hands-on session to synthesize and apply insights gained from the entire day. You will develop your own personal development plan that will provide you the confidence, faith, and freedom to move closer towards your vision. You'll be working with a partner so that you can challenge and support one another.
