### **Baker College opens 2017 spring enrollment**

CADILLAC, Mich. – Enrollment for 2017 spring quarter is now open for new and returning students at Baker College's Cadillac campus, 9600 E. 13<sup>th</sup> St., Cadillac. On-ground classes begin Monday, April 3; two sessions of online classes begin Thursday, March 30, and Thursday, May 11.

"Spring has always been associated with new growth, so spring quarter is an excellent time to enroll in classes that can lead to career growth," said Kelly Smith, Baker College of Cadillac president. "Baker College is committed to academic excellence in all of its degree programs, delivering on its mission to provide quality higher education and training that enables graduates to be successful throughout challenging and rewarding careers."

Baker College has day, evening, weekend and online classes for degree and certificate programs in the areas of applied technology, business, education, engineering, health science, information technology and social science.

Bachelor's, associate and certificate career programs offered at the Cadillac campus include accounting, business administration, business administration-accelerated, marketing, computer networking technology-Microsoft, information technology and security, early childhood education, nursing, health services administration, medical assistant, surgical technology, criminal justice, advanced manufacturing technology and welding.

The Center for Transportation Technology, near Lake City in Missaukee County, offers agriculture technology, computer aided design, automotive services technology and mechatronics/robotics.

Classes are offered on a quarter basis for 2017 spring and summer sessions and will transition to semesters beginning fall 2017.

Financial assistance is available to students, including scholarships, grants, low-interest loans and work-study programs. For more information, contact Cheri Sprik in the admissions office at 231.876.3119 or [cheri.sprik@baker.edu](mailto:cheri.sprik@baker.edu). Students may schedule an appointment via the Baker College website, [www.baker.edu](http://www.baker.edu).

The largest private college in Michigan, Baker College is a not-for-profit higher education institution accredited by the Higher Learning Commission. Founded in 1911, Baker College grants doctoral, master's, bachelor's and associate degrees, as well as certificates in diverse academic fields including applied technology, business, education, engineering, health science, information technology and social science. Baker College has on-ground campuses throughout Michigan and offers online programs that can be completed 100 percent online without ever visiting a campus. In 2016, the Online Learning Consortium recognized Baker College Online with the OLC Quality Scorecard Exemplary Endorsement, the highest ranking for online higher education programs.
