**SHOW ME THE  
MONEY DAY**  
MICHIGAN

### **Petoskey to Hold Show Me the Money Day**

Petoskey, MI – Northern Homes CDC and Char-Em United Way are pleased to announce that the First Annual Show Me the Money Day Emmet County will be held on January 27, 2018 from 1-4pm at Petoskey Middle School. This event will connect participants with numerous resources to help them achieve financial stability through savings, education, entrepreneurship and homeownership opportunities.

The Manna Food Project will be in attendance providing information and handing out fruit to attendees. We will also provide information and laptop access to My Free Taxes, a free tax filing website through H&R Block. If you plan to take advantage of this service make sure to come prepared. Go to [unitedway.org/myfreetaxes](http://unitedway.org/myfreetaxes) and find the checklist under “Get Organized” to see what you will need. There will also be free food provided and prizes given out throughout the event.

This event features a cooking on a budget workshop, free tax assistance, prizes, and children’s activities.

The event is still open for any financial or human services organizations that would like to participate in any way. For more information about becoming a vendor at this event, email Missy Wright at [vista@charemuitedway.org](mailto:vista@charemuitedway.org) or call (231)487-1006.

To find out more information about Show Me the Money Day or to find other host sites across Michigan, visit [www.ShowMeTheMoneyDay.org](http://www.ShowMeTheMoneyDay.org).

This event is sponsored locally by 4Front Credit Union, the Community Economic Development Association of Michigan (CEDAM) and the Show Me the Money Day statewide sponsors: Consumer’s Energy, JP Morgan Chase, and Old National Bank.

*Show Me the Money Day is a statewide event in Michigan coordinated by the Community Economic Development Association of Michigan (CEDAM). To kick off tax season, local Show Me the Money Day events will provide Michigan residents free financial resource fairs and financial workshops and access to community-based programs that promote saving and asset building, post-secondary education and training and other opportunities to build financial security at tax time.*
