**Laudato Si’ Reflections and Action Calendar**

**Season of Creation (September 1 – October 4, 2017)**

September 1 (World Day of Prayer for the Care of Creation) to October 4 (Feast of St. Francis of Assisi), Christians around the world are invited to participate in a “Season of Creation” – a special time of caring and praying for creation.

### Daily Prayer - In Solidarity with All Creation (SSND Green Team)

Oh how beautiful are your ways, O God, the works of your creation. Raise our consciousness to know and feel deeply in our hearts our connectedness to all that is.

Instill in us the gift of being co-creators and sustainers of Life. Teach us new and unsuspected ways of living so that current and future generations can walk humbly in beauty, love all compassionately, and live justly in solidarity with all creation.

Loving and gracious God, give us the courage to seek this transformation of self and society and the strength to see it through. Amen
