Continuing Education (CE) Information

Goal: To educate oncology nurses and social workers on palliative and hospice care for adolescent and young adult oncology patients.

Objectives: At the conclusion of this program, participants should be able to:

- Identify unique barriers to palliative and end of life treatment adolescent and young adult oncology patients face.
- Discuss how adolescent and young adult oncology palliative and hospice care is different from adult palliative and hospice care.
- Explain how healthcare workers can help improve availability and accessibility of palliative and hospice care to adolescent and young adult oncology patients.

Target Audience: Oncology nurses and social workers at all levels and licensure, and other healthcare professionals involved in the treatment of young adult and adolescent patients.

Approval for nurses has been obtained by the National Office of The Leukemia & Lymphoma Society under provider number CEP 5832 to award 1.5 continuing education contact hours through the California Board of Registered Nursing.

The Leukemia & Lymphoma Society (LLS), provider #1105, is approved as a provider for social work continuing education by the Association of Social Work Boards (ASWB) www.aswb.org Approved Continuing Education Program (ACE). Approval Period: December 2014 - December 2017. LLS maintains responsibility for the program. Social workers should contact their regulatory board to determine course approval. Social workers will receive 1.5 CE (1.00 clinical and .50 social work ethics) contact hours.

Upon completion of this program and submission of the activity evaluation, a certificate of completion will be issued to you within 30 days
