DEALER SOLUTIONS COMPLETES ANOTHER TRANSACTION

Dealer Solutions North America is very pleased to announce another transaction completed. Mike, Cindy and Skye Davenport, the previous owners of Davenport Kia, had been in the retail business for over 30 years. Based in Orillia, Ontario, the family spent many years working with the local community and charities. They have all decided to take some time out and enjoy life!

The buyer is Robert Stein. He is the president of the Plaza Auto Group, based in Toronto, Ontario. This acquisition takes his group to five retail outlets in and around the GTA. Robert's group now proudly represents three Kia dealerships, a VW and a Subaru store.

We would like to thank Mike, Cindy and Skye for being such great people to work with and we are now proud of calling them friends.

Robert, on behalf of the entire Dealer Solutions Team, we wish you the best in your new venture.

Sincerely,

Farid Ahmad

President/C.E.O. of Dealer Solutions Group of Companies
