

## **Event Planning**

If you have an idea or just an inkling of an idea for an event, please contact Chris Cerhit and we can work together to ensure your event will be a success.

## **Events Calendar**

We are working hard to ensure all events are posted to the Northern Lights Council calendar. If you notice missing events, errors or if you want to post an event please send the information to Chris Cerhit – [chris.cerhit@scouts.ca](mailto:chris.cerhit@scouts.ca) and we will ensure your information is included in the event calendar. It is never too early to post your events, leaders will be planning for the upcoming year and it would be great if we would have the majority of events included in the calendar as soon as possible.
