

Join us at approximately 9:30 am on Rosh HaShanah morning as we say a shehechyanu to celebrate our new High Holiday Torah covers!

Designed by internationally renowned Judaic artist Jeanette Kuvin Oren, these stunning Torah covers will be used for the entire month of the High Holiday season, from Rosh HaShanah to Simchat Torah. With a light background symbolic of purity during the High Holidays, each Torah cover displays a unique holiday image as seen in the photo above (left to right):

Book of Life ✧ Shofar ✧ Pomegranates ✧ Jerusalem ✧ Gates of Heaven ✧ Lulav & Etrog

Many thanks to the families who donated these Torah covers. Donor opportunities remain for two (2) of the covers – contact Rabbi Colin. All donors will be acknowledged during the High Holidays.
