

# It's not too late to participate in CROP Hunger Walk

It's not too late to decide to participate as an individual, sponsor a walker or form a team in the sixth annual South of the River CROP Hunger Walk for Church World Service (CWS). The walk is scheduled Sunday, Oct. 7, with registration beginning at 1 p.m. at St. John's Lutheran Church in Lakeville. The walk steps off at 2 p.m.

CWS is actively working to help people in areas hit hardest by Hurricane Florence, just as it did following hurricanes Harvey and Maria last year. CWS is one of the "first in, last out" relief agencies, staying for the duration of the disaster's aftereffects.

In addition, CWS conducts anti-hunger grassroots programs with local development groups in many parts of the world. One quarter of the funds raised by CROP walks goes to agencies addressing hunger in local communities. This walk's partners are 360 Communities, Open Door in Dakota County and the CAP agency of Scott County.

The walk route will be approximately four miles, with a rest stop at Cross of Christ Baptist Church in Lakeville. A shorter walk of approximately one mile will also be available.
