

Cherokee Park United plans rainbow flag dedication on World Communion Sunday

An invitation from Cherokee Park United ...

You are invited to Cherokee Park United Church's blessing of its LGBTQIA+ affirming rainbow flag on Sunday, Oct. 7. We're also celebrating World Communion Sunday. Worship starts at 10:15 a.m.

We proudly and boldly welcome for full inclusion all lesbian, gay, bisexual, transgender, queer, intersex, and asexual souls, at least. All that identify with their God-given orientation and identity, even if you are not sure about those churchy words.

We work to provide physical and spiritual access with a ramp outside, a lift inside, gender neutral bathrooms, and kid-ready messages, spaces, staffed nursery, and an encouraging vision of: Fierce Justice. Radical Love. Abundant Grace.
