

# 2018 Peace & Global Witness Offering

## Presbytery of the Twin Cities Area

---

Annually the PCUSA receives an offering to support the work of peacemaking across the world. Half of each congregation's offering supports the Presbyterian Mission Agency in their work advocating for peace and justice. Twenty-five percent stays with your congregation for your own peacemaking work and the remaining 25% is directed to one or more organizations selected by the PTCA Mission & Witness Committee. After studying a few organizations that address early childhood hunger that affects the physical, mental and emotional health of each child, the committee selected two projects to receive our offering this year
