PARTY at Tremont Club-Awesome Entertainment Friday, Night April, 28th 7:00pm

Come enjoy Gary and Linda Scalafani a wonderful Duo on Friday, April 28th at 7pm in the Clubhouse. Gary and Linda have only been at Tremont Club once but the homeowners who were here said they are outstanding so come up to the Clubhouse and enjoy. Coming from a background of Pop/Rock performers and recording artists in the New York Metropolitan area, veteran songwriters and artists Gary and Linda Sclafani are a dynamic couple who began writing and casually sharing their songs in local cafe's, churches and community gathering places. Since then they have performed in hundreds of concert halls, schools, pubs, youth camps, senior centers and at various community events and conferences throughout the United States and internationally. Their Acoustic Folk/Pop musical style combined with polished vocal harmonies is undeniably appealing to people of all ages. Come and enjoy an evening of music with classic favorites from the 1920's to the present day. To cover the costs of this wonderful Duo we will be charging \$5 per person or \$10 per family. Please bring an appetizer to share and beverage of choice.

Get out of your condo's and enjoy a movie at the Club House. "Fences" will be playing **Tuesday, April 4th in the evening at 6:30pm and Wednesday, April 5th in the afternoon at 1:00pm.** Denzel Washington and Viola Davis star in this wonderful movie. Here is what Fences is about: Troy was once a baseball player in the Negro League, but he never got into the Majors because of his age. Now, in 1950s Pittsburgh, he works as a garbage man and has been trying to convince his boss to let him drive a truck, even though no black men are allowed to do so. Troy is also having problems with his two sons: Although Lyons doesn't live at home, he continues to ask Troy for money. But Cory is the son who is causing the most trouble for his father, because he is determined to be a football player and has given up his studies at school and his job in favor of the game. Troy reacts by kicking Cory out of the house and a wedge is driven between father and son that will last for the rest of Troy's life.

Community Garage Sale Please contact Susan if Interested

In the past years we have had a Community Garage Sale on a Saturday in June and Pre-sale night on Friday. I am looking to see who is interested and if we have enough residents to participate. I am thinking about having the garage sale on June 3 and pre-sale Friday June 2. This is how we have organized the Community Garage sale in the past years: The sale of your items would take place in your own garage and we would leave the gates open for the duration of the sale. The sale will be on Saturday from 9am-3pm. On Friday evening before the sale, we would have a "Residents-Only" Pre-Sale night. If interested, residents would have their sale items ready & your garage open from 6:30pm-8:30pm. The garage sale would be on Saturday from 9:00am-3:00pm. The day of the garage sale, each resident participating will meet Susan at the Clubhouse (*before the start of the sale*) to receive a balloon to mark your garage sale and a map to pass out which will show where all the garage sales are located. Susan will put garage sale signs at the entrances, as well as, pass out maps at the front gate. To cover the cost of the newspaper ad, signs and balloons, there will be a charge for each family participating. Last year it was \$10 to participate. Following the garage sale we have had Volunteers of America pick up your unwanted items. **Please contact Susan if you are interested in participating in this event** or if you have any questions.
