

Monday Motivation

With Easterseals Central Illinois

Starting January 1st, kick off your week with a motivational message from an Easterseals kiddo! Monday Motivation videos will be posted every Monday morning on Easterseals Central Illinois social media accounts. The end of the video features the logo of one of our small business partners and the text will tag their pages. Each business logo will also appear in our monthly e-newsletter during the month of their post.

You Can Help Us

Help us share the mission of Easterseals with your network of loyal customers and social followers.

Help us bring small businesses into the fold as visible partners of Easterseals.

Help us reach more people by providing financial support for boosted posts.

& We Can Help You

Easterseals Central Illinois serves 5,300 families annually in our communities.

Our families, volunteers and staff are loyal supports of our partner businesses.

In a recent Cone Communications survey, 87% of Americans will purchase a product because a company advocated for an issue they cared about.
