

# "God's Work. Our Hands." Sunday

Sunday, September 10

On this day, ELCA congregations from across the country will join together for "God's Work. Our Hands." Sunday. This dedicated day of service builds on the work ELCA members do every day to serve their neighbors and make the world a better place. From cleaning roadsides to preparing meals to playing music for shut-ins, volunteers will participate in a multitude of service projects. "God's Work. Our Hands." Sunday celebrates a church that believes God is calling us into the world together.

## At St. John we will have three opportunities to serve:

1. Serve your church by helping to clean up our property. We will pull all of the weeds from around the church and also scrape and repaint the cross out front.
2. Serve out in the community by working on projects at the Micah 6 Community gardens in Pontiac.
3. Serve the community from inside St. John by making grocery bags out of old T-shirts for use by "Sprout," affordable produce store run by Micah 6. No sewing is required.

Lunch will be provided prior to the service projects.
