

SHARING OUR CATHOLIC IDENTITY ONE STORY AT A TIME

duPont Family

by Mick duPont

Thank you for the opportunity to reflect on the role our shared Catholic faith has played in our marriage and the duPont Family, and thank you for everything you and your team have done to help us embrace and raise our children in the Catholic faith. Being a part of Holy Rosary's active and dynamic faith community, both the school and parish, reminds me daily to focus on Family, Faith, and the many vocations to which God has called me, amongst them: Father, Husband, and Friend. It is with this perspective and structure that my family and I are able to prioritize the many activities that fill our daily lives, and still make time for our relationships with God and each other.

Since enrolling our children in Holy Rosary School in 2015, at which time we also joined Holy Rosary Parish, our family life has been enriched in many ways. The accessibility of attending Mass, pursuing Sacraments, extra-curricular activities for the children, and making friends

throughout the community has been a blessing that has allowed our family's spirituality to flourish. We are able to participate in many faith based events which has resulted in a faith-based lifestyle for all of us.

Catholic education has allowed the children to grow academically as well as spiritually, and my wife and I have been blessed to share

in their journey through faith. I have always believed that the best way to strengthen ones knowledge is to share it with someone else, and the daily participation in the children’s spiritual growth has allowed my wife and I to gain a deeper understanding of God. Sharing in

their teaching has reinforced and strengthened our faith as well.

We have always felt welcome at Holy Rosary, and amongst our fellow parishioners have always felt a sense of communal interest

in the well-being of one another, our children, our church, and our faith. This is the very definition of Community.
