

Introducing our expanded line of deluxe **ROLLER SHADES . . . RSS DLX**

The Forest roller shade line includes both our RSS Collection - chain operated roller shades and our SSS Collection - spring operated roller shades. All chain operated systems include a child safety device.

In this brochure, we introduce an extension to our RSS Collection - RSS DLX. Choose a 38, 42 or 50 mm tube and one of four mounting styles. This deluxe collection of roller shades is available in these designer finishes - white, anthracite, anodized, black, bronze and chrome. Complete your project with one of our stock fabrics or consider the hundreds of fabric options in our Eclipse® collection.

Roller Shade System DLX

Roller Shade System DLX

FOREST RSS DLX

Introducing the expanded line of the Forest Roller Shade System - RSS DLX. This deluxe collection features four cassette styles to choose from and hundreds of fabrics. Deluxe finish options include white, anodized, anthracite, black, bronze, chrome and stainless steel. 1:1.3 and 1:1.5 mechanisms are available. All models include a child safety chain device.

BASIC MOUNT

- Easy, simple installation
- Cover cap for screws
- Metal or plastic brackets
- Available colors: Anodized and white

SEMI OPEN MOUNT

- Luxury installation cassette
- Perfect for double roller blind
- Double roller blind closes perfectly when blind is pulled down - with both installation on wall and ceiling
- No visible screws
- Almost no light gap on the top due to installation clip
- Available colors: Anthracite, Black, Bronze and White

Forest[®]
Eclipse

The Forest Eclipse collection of roller shade fabrics combines functionality, quality, human and environmental friendliness with endless possibilities for creating atmosphere and style. Ask your sales representative for more information.

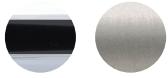

All fabrics are Greenguard certified.

SQUARE MOUNT

- Easy exchange of cover caps (i.e. from square to round or to Ultimate) with a minimum number of components; base stays the same
- With side guidance perfect for black-out
- Cassette completely closed: bottom bar sinks completely into cassette when blind is pulled up
- No visible screws
- Almost no light gap on the top due to installation clip
- Available colors: Anodized and White

ULTIMATE MOUNT

- Designer look
- Same base as cassette system
- Different metal finishes
- Matching bottom bar
- Available colors: Chrome and Stainless Steel

BASIC MOUNT

Easy, simple installation
