Flame Retardant:	BS 5867-2-2008 Type B
Anti-Mildew	

## ENVIRONMENTAL POLICY

We strongly believe in the important role an enterprise can play in "going green". Our fabric has followed all environmental policies including:

1. The reduction of waste and recycling of salvage.
2. Developing eco friendly fabric, such as products that use PET recycled yarn.
3. All of our products have passed REACH specifications.
4. Developing alternative environmental friendly materials, including PE, PP, and PET, etc.
5. All the products have been approved through the TVOC test.

This fabric has also achieved Greenguard certification:
