

THE BIG SPLASH #2

Another visitation plan for congregations in Penn Central Conference to excite and promote 2018 Hartman Center events and especially the 2018 Camping Season.

THE DATE: Sunday, February 11, 2018

Dear friends of Hartman Center,

There are so many great things happening with Hartman Center every year that we have planned another Conference wide event called THE BIG SPLASH #2. We hope to have a 'wave' of visitors go out into the congregations of Penn Central Conference on Sunday, February 11 to share all the exciting news. Our primary goal is to recruit campers for the 2018 Summer Camps.

IF you would like your congregation to be visited on February 11, please email Rev. Patty Dodds at program@hartmancenter.com . Assignments to churches will be on a first come, first served basis, so invite us ASAP. There were 35 people who visited churches last year.

THE BIG SPLASH #2 visitors will be prepared to share briefly (5-10 minutes) in the worship service. They will have materials to share (so a display table would be appreciated.) And if your church has Internet access and a way to broadcast a Hartman Center on-line video that would be an added bonus.

Training for visitors will be held at the Conference Office on Saturday, February 3rd (10-12 noon). We hope to give church assignments to the visitors at that time. SO let us know if you want us to come to your church.

Thanks,

Jason Minnich

Chair, Hartman Center Advisory Committee
