

# Nursing Mothers' Council Breastfeeding Conference

**Monday, March 26, 2018**

Boxboro, MA

Who should attend? IBCLCs, breastfeeding counselors, nurses, midwives and physicians, birth and postpartum doulas, social workers, speech-language pathologists, caseworkers, early intervention providers, childbirth educators and others working with families during the childbearing years.

**Liz Brooks, JD, IBCLC, FILCA**

*Dazed & Confused After Discharge: Breastfeeding Support is Different  
Once Families Go Home*

*Top Ten Ways to Keep Lactation Care Legal and Ethical*

**Lisa Marasco, MA, IBCLC, FILCA**

*Is it her hormones? Hormonal Imbalances & Insufficient Milk Supply*

*Deciphering the Lactation Curve: Lessons in Breastfeeding Physics  
from the Dairy Industry*

**Liz Brooks:** lawyer/litigator (since 1983) & private practice lactation consultant (since 1997). Brings to life the connection between lactation support & the law with plain language & humor. Adjunct Professor in Drexel University's Human Lactation Consultation Program, former President of the International Lactation Consultant Association (ILCA) & Secretary of the United States Breastfeeding Committee (USBC), current Director at the Human Milk Banking Association of North America (HMBANA) (2015-2017). Author, *Legal & Ethical Issues for the IBCLC*, co-author of 5 other lactation-related texts including *Core Curriculum for Lactation Consultant Practice & Breastfeeding & Human Lactation 5th ed.*

**Lisa Marasco:** working with breastfeeding mothers for over 30 years & International Board Certified Lactation Consultant since 1993. Masters degree in Human Development with specialization in Lactation Consulting & designated a Fellow of ILCA in 2009. Co-author of *The Breastfeeding Mother's Guide to Making More Milk*, a contributing author to the *Core Curriculum for Lactation Consultants*, & a new Cochrane Collaborative author. Employed by WIC of Santa Barbara County, an Associate Area Professional Liaison for La Leche League of So. Calif./Nevada, & serves on the Breastfeeding Coalition of Santa Barbara County.
