Tips for Future Text-Giving Donations:

- If you only text a monetary value, the funds are attributed to CCF's default fund (Ex: \$50 = will go to default fund).
- Text "Funds" to receive a reply text including a list of the fund names you can choose to donate to.
- If you text the amount + fund name, the funds will be attributed to that fund name (Ex: \$10 Building).
- If the fund name you texted does not match, you will receive a message with a list of fund names for you to choose from. Respond with the number of the correlating fund.
- If you text "Help" you will receive a reply text that states: "To give enter the amount you want to give, such as 100. You can also give to a specific fund by typing it after your amount, such as 100 building fund."
- If you text "Reset" you will receive a reply text that states: "Saved card information successfully removed. Please register your card information again when making your next gift by texting an amount to this number."
