Division of Industrial Compliance

John R. Kasich, Governor
Jacqueline T. Williams, Director

****New Registration Dates****

The Board of Building Standards (Board), in conjunction with the International Code Council, (ICC) is proud to present a course on the **Significant Changes to the 2012 IECC and ANSI/ASHRAE/IES Standard 90.1-2010**. This training will familiarize students with the significant changes included in the 2012 edition of the International Energy Conservation Code and the 2010 edition of ASHRAE 90.1, including reasons behind the changes, and provide examples on how they are to be applied. ***This training is open to both Board-certified personnel and public.*** Board-certified personnel will receive 4 hours of continuing education for the following certifications: BO, MPE, MechPE, PPE, EPE, BI, MI, PI, ESI & NRIUI.

There is no cost to attend and all attendees will receive a copy of the ICC publication *Significant Changes to the Energy Conservation Code 2012 and ANSI/ASHRAE/IES Standard 90.1-2010*. To attend the event, you must preregister. Registration is now open for all locations listed below. Registration links can be found below each location. Please register for one session only! Space is limited, so register early for your *preferred session*.

Sincerely,

Felecia Jackson

*Professional Development Administrator
Ohio Board of Building Standards*

This education series is funded by the three percent and one percent assessments collected on behalf of the Board by certified building departments from the construction industry. These funds help ensure that certified building department personnel have sufficient training and resources to provide a high level of service to our regulated community, reducing unnecessary costs and increasing compliance.
