

Radelet McCarthy Polletta

www.radeletmccarthy.com

Architects Radelet McCarthy Polletta is a Pittsburgh-based architecture and interior design firm with a 25 year history focused on design excellence and innovation. Our architects and interior designers work in a cooperative environment where communication and time management skills are essential for success.

We are currently seeking architects to join our team.

Experience/Requirements:

- B Arch or M. Arch from an accredited University (Architectural Registration is not required).
- Proficiency in Autodesk Revit.
- Minimum of 2 years of work experience (Experience in healthcare and higher education design is preferred, but not required).

Responsibilities:

- Participate in design for projects as part of a team
- Prepare design sketches and construction documents
- Assist with construction administration activities
