

Creating Lasting Expressions of Vision and Value

Christopher @ Architects LLC

820 West Superior Avenue, Suite 400, Cleveland, Ohio 44113-1800

SEEKING PROFESSIONALS

Christopher @ Architects LLC is seeking the following professionals to join our Cleveland, Ohio office. Each of these are important, core positions; we are looking for dedicated individuals who work well with a team that is seeking to become a demonstrated and acknowledged leading regional architectural firm. Contact Christopher Toddy, AIA at christopher@architects-llc.cc with professional resume and cover letter.

Partner

Seeking passionate designer with 15-25 years business, project management, client management, building technology, production, and marketing experience to replace retired partner. Ohio registered architect and AIA membership required. Urban design experience a plus. Extemporaneous desire and commitment to co-lead a medium-sized, design-and-service-oriented boutique architectural firm required. Team-empowering, client-empowering, community-oriented, good-listening professional required. Healthcare, retail, and residential experience important.

Project Architect

Seeking a clever, passionate designer with 10-15 years project architect, team empowerment, building technology, engineering-coordination, production, specifications, and practical solutions experience. Ohio registered architect and AIA membership required. Healthcare, retail, and residential experience important. AutoCAD and Revit ability required. 3-D experience and talent a major plus. Other softwares a plus.

Digital Director

Seeking an intelligent, passionate, and experienced coordinator of computer drafting tools and other software to empower the quality of leading, sustainable design, production and implementation. 5-10 years architectural firm utilization of AutoCAD, AutoCAD Building Suite, AutoDesk Revit, Google SketchUp and Lifecycle Analysis Software experience and confidence required.

Sustainability Director

Seeking experienced LEED Professional and Enterprise Green Communities certified practitioner to lead sustainability/design implementation and green-services marketing. USGBC Membership Required.

Interior Design Director

Seeking a talented coordinator of our interior design services with 5-15 years experience. IIDA or ASID membership required.
